

WELCOME TO THE SMALLEST CASTLE IN THE CITY.

We would like to invite you from **Monday to Friday from 3:00 p.m.** and on **weekends from 1:00 p.m** to a very special end of the day. Or maybe it's just the beginning?! Whatever the case, sit back, let your eyes wander over the Elbe River and enjoy a relaxing after work. This evening will be even more perfect with an ice cold after-work drink, which unfolds its taste together with our unmistakable kobalt sound.

If this not only awakens the spirit of life, but also the small appetite, we have a little selection of culinary delicacies for you. You can order snacks and drinks at our **self-service bar**. Cool atmosphere, smiling faces and chilled beats – sometimes the little moments of happiness warm the heart the most.

By the way, if you like it here, you can also celebrate birthdays, weddings and company parties in this special place. We inform you on our website about the Kobalt Club as an event location: **www-kobalt-club.de**
